WHY BOOK WITH US?

I am interested. What is the typical price per night?

The actual price depends on the dates, the number of guests, and the property you want. This is why it is a good idea to send us a zero-commitment inquiry here so we can contact you directly (no commitment or payment information needed!). For a typical weekend, you can expect the price to be around 80 euros per person per night for a group of 12-15 guests. With our competitive prices, you will pay less than staying in 5-6 hotel rooms (without all the exclusive amenities for your group!).

Why Comenstay and not the standard hotel rooms?

Simple. Comenstay is designed for those who wish to escape the routine and travel together while regular hotel rooms are primarily for solo travelers or couples. Yes, they might have a game room or spa facilities but at Comenstay, you could have all these social spaces and special amenities all to yourselves. For families and large groups, the regular hotel rooms are often too small, and usually lack a complete kitchen that would be ideal for an intimate brunch or a separate living space where an extra comfy sofa bed would come in handy for the young kids. At Comenstay, you could have all of the above, for the same price. More space, more amenities, same price as staying in regular hotel rooms.

Booking directly seems risky. Why shouldn't I book on the major platforms?

Independent reviews are important to build trust so that our guests can book with confidence - and that is why Comenstay has been listed on major booking platforms such as AIRBNB since the beginning. Over the years, we have accumulated excellent reviews from many large groups just like yours on various online platforms such as Google and AIRBNB. You can check our reviews [here](#) and [here](#). Still have doubts? We would be happy to show you the house on a video call! This way, you can book directly with confidence and pay 15% less!

I am sold. How can I book directly?

Personalized service is extremely important for us. This is why, here at Comenstay, every reservation starts with a personalized call, so that we can understand your needs better. We understand that planning a group trip is never easy, this is why we always try to answer all your questions. We can even make a video call to show you how great the place looks like in real life! So leave us your contact [here](#) :)! After the phone call, and once you are comfortable to make the reservation, we can proceed to signing the contract to confirm your trip to Brussels!

A contract? That sounds complicated. Will there be a deposit?

It's not complicated at all! All we need is a copy of your ID, and we will send you the contract in 24 hours. Everything will be explained and documented in the contract. This way, you and your group can relax and be confident that your trip will turn out as memorable as you would imagine.

After that, all you need to do is to pay the 50% deposit to block the dates. If your reservation is more than 4 months in advance, we will only ask for an initial deposit of 25%, with the remaining 25% due 3 months before check in. Normally there is also a 50% refundable deposit due at arrival against damages. However, this could be waived in certain circumstances. Send us an inquiry [here](#) to find out more!

What types of payment do you accept?

We accept SEPA bank transfers and Paypal. For on-site payment and small fees, we also accept cash. Unfortunately, due to high processing fees, we do not accept credit card payments.
